Hello Jammers!

Welcome to the Home Routes/CFRU Monday afternoon Folk Jam Group!!!  
This is going to be fun.

We are so thrilled that you have signed up for the class and are eager to learn how to play music together (jam) and want to learn more about your instruments and music.

If we can have some information from you in advance, it will help us get the class organized. The first class will likely be a lot of organization and figuring things out, but our goal is to play as much music as we can at every class, so this information will help us do that.
